October 26, 2009

Dear Sir or Madam:

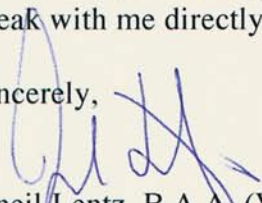

Over the past two years I have had the pleasure of working with Evan Briscall and have personally supervised him in his role as a Graphic Designer for Trader Corporation. As the Display Manager – Specialist, I am personally responsible for overseeing the work of sixty employees in two major cities, while we as a team produce twenty publications, sixteen of which are weekly.

During Evan's time in my department, he has proven himself to be a valuable team member. He has willingly taken on extra work where needed and was always available to help with new projects. He is consistently on time and has always been on task while at work. While at work, Evan has maintained a consistent work ethic and has proven to be very dependable and reliable. He has learned new tasks readily and is always looking to improve his work.

Evan has produced quality work on a continuing basis. To his credit, he is able to take criticism and uses the feedback constructively to improve the quality of his design.

If you have any questions or concerns regarding this letter, or feel the need to speak with me directly. Please call during standard office hours at 780-415-6738.

Sincerely,

Janeil Lentz, B.A.A. (V.C.) hon.  
Display Manager – Specialist
