

OPERATION CHRISTMAS CHILD

July 26, 2014

To Whom It May Concern:

It is a pleasure to write a recommendation letter for Evan Briscall. I am the Area Coordinator for Operation Christmas Child – South Edmonton Team and as his team lead, I have had the honour of volunteering alongside Evan in this ministry for just over a year.

As a Media Relations Coordinator, Evan's responsibilities include building relationships with local media outlets to establish and grow coverage, build and maintain social media outlets to promote OCC, create invitations and promote upcoming events through media, attend team meetings and complete monthly reporting. Evan has proven, beyond expectation, his ability to manage all these responsibilities plus more. Through his knowledge and skill with graphics, Evan has created several short informative and impacting videos. Any invitations/posters Evan has done have been professional and informative. He attends team meetings regularly and has the ability to quickly determine the media needs and efficiently gets done what needs to be done.

Evan is a valuable member of our team, who gets along well and works well with all other team members. Along with his skills, Evan has a great attitude and work ethic and because of this our team is a better team. I believe that this would also be the case anywhere Evan works/volunteers.

If you have any questions or require further information, please do not hesitate to contact me by phone or email at debbigrimm@gmail.com.

Sincerely,

Debbi Grimm
